P2 is a very

challenging paper

which builds on the

knowledge and

skills acquired at

earlier levels in the

preparation and

analysis of financial

reports for single

entities and groups.

It takes these areas

to a higher level,

putting into context

the role of the

accountant as a

professional

steward and

adviser, who is

responsible to the

stakeholders of an

organisation. It has

five main sections:

1. Regulatory and

ethical framework

and current issues

2. Reporting the

financial

performance of

entities 3. Group

financial statements

4. Specialised

entities 5. Analysis of the financial performance of entities The main new topics introduced at this level relate to group accounts, but other topics are tested with a different emphasis and in more depth than at the Fundamentals Level. We provide material for both International and UK streams. International is now the ACCA main stream. Question practice is essential for all papers, but for P2, there is a strong 'fear factor'. Questions look intimidating, and it is only once you get into the detail that you realise that there are easy marks and more complicated parts

that are not essential to get a pass. Our practice and revision kit follows the order of the text and there are a large number of questions on all syllabus topics. Our kit gives ample opportunity to practice the long, 50 mark case studies, which will be the compulsory Section A question in the exam. Three mock exams, including the Pilot Paper, also reflect this format. As a gentle introduction to many of the topics, there are preparation questions giving instructions in basic techniques. Most questions have marking schemes, so that you can see that the examiner awards marks for these

techniques. For P2 international, a revised edition of the kit is being produced for December 2008 to reflect the changes to IFRS 3 Business combinations. This will be available at the end of September. BPP Learning Media is the publisher of choice for many ACCA students and tuition providers worldwide.
