Publishers Weekly bestseller Discover how to break free from the chains of negative thinking and experience true freedom from unhealthy thoughts and emotions. The Enemy is constantly seeking to fill your mind with destructive and harmful thoughts—whether of fear, worry, insecurity, anxiety, temptation, envy. . . . It's all too easy for Satan to manipulate his way into a seat at the table intended for only you and Jesus, and to try making himself at home in your mind. It's an ongoing battle, but one you can win! In *Don't Give the Enemy a Seat at Your Table*, bestselling author and pastor Louie Giglio shares practical ways to overcome the Enemy's lies and instead find peace and security in any challenging circumstance or situation. By drawing from Psalm 23 as a framework, he offers biblical insight on how to . . . Cancel the lies that will wreck your life. Take empowering steps to live fully alive in Christ. Stop the spiral of shame, temptation, and insecurity. Restore peace and rest in your life. Embrace the true purpose behind your journey through challenging circumstances. Break free from the endless cycle of destructive thinking. You can find freedom from the war inside your mind—if you allow Jesus, the Good Shepherd, to lead the battle. Two people—a black woman and a white man—confront the legacy of slavery and racism head-on “We embarked on this journey because we believe America must overcome the racial barriers that divide us, the barriers that drive us to strike out at one another out of ignorance and fear. To do nothing is unacceptable.” Sharon Leslie Morgan, a black woman from Chicago’s South Side avoids white people; they scare her. Despite her trepidation, Morgan, a descendent of slaves on both sides of her family, began a journey toward racial reconciliation with Thomas Norman DeWolf, a white man from rural Oregon who descends from the largest slave-trading dynasty in US history. Over a three-year period, the pair traveled thousands of miles, both overseas and through twenty-seven states, visiting ancestral towns, courthouses, cemeteries, plantations, antebellum mansions, and historic sites. They spent time with one another’s families and friends and engaged in deep conversations about how the lingering trauma of slavery shaped their lives. Gather at the Table is the chronicle of DeWolf and Morgan’s journey. Arduous and at times uncomfortable, it lays bare the unhealed wounds of slavery. As DeWolf and Morgan demonstrate, before we can overcome racism we must first acknowledge and understand the damage inherited from the past—which invariably involves confronting painful truths. The result is a revelatory testament to the possibilities that open up when people commit to truth, justice, and reconciliation. DeWolf and Morgan offer readers an inspiring vision and a powerful model for healing individuals and communities. Moreover, after taking this training, the employees had to take and pass a written, computerized 51-question exam concerning the DIOG.
