Tender At The Bone Oct 25 2020 Fast, funny, always near the knuckle. The best kind of food writing - it makes you hungry' Elizabeth Luard'While all good food writers are humorous.few are so riotously, effortlessly entertaining as Ruth Reichl..[She] is also witty, fair-minded, brave, and a wonderful writer' New York Times Review of Books At an early age, Ruth Reichl discovered that 'food could be a way of making sense of the world. If you watched people as they ate, you could find out who they were.' Her deliciously crafted memoir, *Tender at the Bone*, is the story of a life determined, enhanced, and defined in equal measure by a passion for food, unforgettable people and the love of tales well told. Beginning with Reichl's mother, the notorious food poisoner known as the Queen of the Mold, Reichl introduces us to

the fascinating characters who shaped her world and her tastes, from the gourmand Monsieur du Croix, who served Reichl her first soufflé, to those at her politically correct table in Berkeley who championed the organic food revolution in the 1970s. Spiced with Reichl's infectious humour and sprinkled with her favourite recipes, Tender at the Bone is a witty and compelling chronicle of a culinary sensualist's coming-of-age.

A History of the Easterling Family Dec 07 2021 Thomas Easterling (d.1815) was possibly a son of John Easterling of North and South Carolina, and a possibly a grandson of Henry Easterling of Calvert County, Maryland. Thomas was married to Rebecca Vicars, and purchased land in 1798 in Russell (now Scott) County, Virginia. They had probably moved there from that part of North Carolina which later became Tennessee (their oldest son said he was born in Tennessee). Henry Easterling (1733-1800) was possibly a son of Henry Easterling Jr. and grandson of Henry Easterling of Calvert County, Maryland. Henry was born in or near New Bern, Craven County, North Carolina, and married Elizabeth Bennett in or near Dobbs or Duplin County, North Carolina in 1753/1754. They later moved to Anson County, North Carolina and then to Marlboro County, South Carolina. Descendants and relatives of Thomas and Henry lived in Virginia, Tennessee, North Carolina, South Carolina, Alabama, Mississippi, Louisiana, Texas and elsewhere. Includes chapters about the Easterlings in colonial America.

***Autobiography of a Face* Nov 13 2019 In this celebrated memoir and exploration of identity, cancer transforms the author's face, childhood, and the rest of her life. At age nine, Lucy Grealy was diagnosed with a potentially terminal cancer. When she returned to school with a third of her jaw removed, she faced the cruel taunts of classmates. It took her twenty years of living with a distorted self-image and more than thirty years of reconstructive procedures before she could come to terms with her appearance. In this lyrical and strikingly candid memoir, Grealy tells her story of great suffering and remarkable strength without sentimentality and with considerable wit. She captures what it is like as a child and a young adult to be torn between two warring**

impulses: to feel that more than anything else we want to be loved for who we are, while wishing desperately and secretly to be perfect. A New York Times Notable Book "This is a young woman's first book, the story of her own life, and both book and life are unforgettable." —New York Times "Engaging and engrossing, a story of grace as well as cruelty, and a demonstration of [Grealy's] own wit and style and class."—Washington Post Book World

***The Seamstress of Hollywood Boulevard* Jan 28 2021** A Kansas seamstress reinvents herself in Los Angeles, but the past comes back to haunt her, in this "superb, surprising" historical novel (The Seattle Times). At age seventeen, Nell Plat is an unhappily married woman, quick with her needle and wit, but ill-suited to wifely duties like cooking, mothering, and tending to her boorish husband. Unable to shake her dreams of glamour and

excitement, she abandons her family and quiet life in Kansas for the hustle, bustle, and glittering lights of Los Angeles. Among the wannabes and celebrities of the silver screen, Nell reinvents herself as Madame Annelle, seamstress to the stars. But just as she begins stitching her way to success, her past shows up on her doorstep, threatening to unravel her carefully crafted ruse. “Meticulously researched” (The A.V. Club) and “vibrant with historical accuracy” (SFGate)—based on the true story of the author’s grandmother—The Seamstress of Hollywood Boulevard is a fascinating look at old Hollywood glamour, gender roles, and the ever-evolving American dream.

She would be the kind of mother a daughter could come to for advice or understanding. She'd had it all planned out ... Then one summer’s day, when driving home from school, eighteen year-old Kara Churchill tragically knocks down a classmate and kills her. The accident shatters the already fragile relationship that she and her mother Leigh share - testing it to the very limit. As the Churchills try and come to terms with the devastation of what has happened under the judgmental eye of the small-town Hazelton community, Kara begins to face up to the terrifying reality that she has killed someone. But will Leigh be able to protect her fiercely independent daughter, or will the damage prove to be too far-reaching? The Rest of Her Life is the story of a family plunged into a crisis that will irrevocably change their lives forever. It’s about the true nature of mother-daughter relationships, and about how far you would go to protect everything you hold dear.**

Dark Times in the City Dec 15 2019 The author of The Rage delivers "an absorbing, beautifully written, gritty tale of Irish

detection and corruption” (The Times, London). Danny Callaghan is having a quiet drink in a Dublin pub when two men with guns walk in. They’re here to take care of a minor problem—petty criminal Walter Bennett. On impulse, Callaghan intervenes to save Walter’s life. Soon, his own survival is in question. With a troubled past and an uncertain future, Danny finds himself drawn into a vicious scheme of revenge. *Dark Times in the City* depicts an edgy city where affluence and cocaine fuel a ruthless gang culture, and a man’s fleeting impulse may cost the lives of those who matter most to him. Gene Kerrigan’s new novel is his finest yet; a CWA Gold Dagger Crime Novel finalist, it’s gripping from start to finish, powerful, original, and impossible to put down. “Following *The Rage*, Kerrigan delivers another spare, cut-to-the-bone noir in which a well-meaning ex-con finds himself trapped in the vice of circumstance. . . . Kerrigan’s grasp of contemporary Dublin and its underworld denizens puts him shoulder to shoulder with the best Irish crime writers.” —Booklist (starred review) “Kerrigan gives us a Dublin we never knew in sharp clear prose and neatly bounded dramatic scenes of Irish cops and robbers that leave us fearing that some of the dust and other detritus they stir up may very well end up splattering on our shoes.” —The Boston Globe “Kerrigan’s gripping police procedural . . . is good news for readers who can appreciate the moral complexities of this flawed hero.” —The New York Times

When The Emperor Was Divine Sep 23 2020 Longlisted for the Orange Prize for Fiction It is four months after Pearl Harbour and overnight signs appear all over the United States instructing Japanese Americans to report to internment camps for the

duration of the war. For one family it proves to be a nightmare of oppression and alienation. Explored from varying points of view - the mother receiving the order to evacuate; the daughter on the long train journey; the son in the desert encampment; the family's return home; and the bitter release of their father after four years in captivity - it tells of an incarceration that will alter their lives for ever. Based on a true story, Julie Otsuka's powerful, deeply humane novel tells of an unjustly forgotten episode in America's wartime history.

Precious Feb 21 2023 BONUS: This edition contains a Precious discussion guide and an excerpt from Sandra Novack's *Everyone but You*. The summer of 1978, ten-year-old Vicki Anderson rides her bike to the local park and goes missing. Her tight-knit blue-collar Pennsylvania neighborhood, where children roam the streets at night playing lightning tag, aboveground pools sparkle in backyards, and flowers scent the air, will never be the same. Down the street from Vicki's house, another family is in crisis. Troubled by her past, headstrong Natalia Kisch has abandoned her husband and two daughters for another man. Frank Kisch, grappling with his anger, is left to raise their girls alone, oblivious to his daughters' struggles with both disappearances: Eva, seventeen, plunges into an affair with her married high school teacher, and nine-year-old Sissy escapes to a world of imagination and storytelling that becomes so magical it pierces the reality of the everyday. When Natalia unexpectedly returns, the struggles and tensions that have built over the summer erupt into a series of events that change the Kisches irrevocably—forcing them to piece together their complicated pasts and commitments to each other. In this haunting, atmospheric debut, Sandra Novack examines loss, loyalty, and a family in crisis. Lyrical and elegiac, *Precious* illuminates our attempts to make sense of the volatility that surrounds and consumes us, and explores our ability, even during the most trying times, to remember and hold on to those we love most.

Improvement Apr 18 2020 'Improvement is a major work of literature.' - Nick Hornby, The Believer Reyna knows her relationship with Boyd isn't perfect, yet as she visits him throughout his three-month stint in prison, their bond grows tighter. Kiki, now settled in New York after a journey that took her to Turkey and around the world, admires her niece's spirit but worries that she always picks the wrong man. Little does she know that the otherwise honourable Boyd is pulling Reyna into a scheme which violates his probation. When Reyna ultimately decides to remove herself for the sake of her four-year-old child, her small act of resistance sets into motion a tapestry of events that affect the lives of loved ones and strangers around them. A novel that examines conviction, connection and the possibility of generosity in the face of loss, Improvement is as intricately woven together as Kiki's beloved Turkish rugs and as colourful as the tattoos decorating Reyna's body, with narrative twists and turns as surprising and unexpected as the lives all around us. The Boston Globe says of Joan Silber 'No other writer can make a few small decisions ripple across the globe, and across time, with more subtlety and power.' Improvement is Silber's most shining achievement yet.

Explorers of Deep Time Feb 09 2022 Paleontology is one of the most visible yet most misunderstood fields of science. Children dream of becoming paleontologists when they grow up. Museum visitors flock to exhibits on dinosaurs and other prehistoric animals. The media reports on fossil discoveries and new clues to mass extinctions. Nonetheless, misconceptions abound: paleontologists are assumed only to be interested in dinosaurs, and they are all too often imagined as bearded white men in battered cowboy hats. Roy Plotnick provides a behind-the-scenes look at paleontology as it exists today in all its complexity. He explores the field’s aims, methods, and possibilities, with an emphasis on the compelling personal stories of the scientists who have made it a career. Paleontologists study the entire history of life on Earth; they do not only use hammers and chisels to unearth fossils but are just as likely to work with cutting-edge computing technology. Plotnick presents the big questions about life’s history that drive paleontological research and shows why knowledge of Earth’s past is essential to understanding present-day environmental crises. He introduces readers to the diverse group of people of all genders, races, and international backgrounds who make up the twenty-first-century paleontology

community, foregrounding their perspectives and firsthand narratives. He also frankly discusses the many challenges that face the profession, with key takeaways for aspiring scientists. Candid and comprehensive, Explorers of Deep Time is essential reading for anyone curious about the everyday work of real-life paleontologists.
