These stories contain hidden secrets of lesbian love, to first times and new experiences, and they all have happy endings. Contained in this collection are the books *River of Love*, *Something Different*, and *The Secret*. \* *River of Love* When bartender Avery Johnson is asked by her boyfriend Mark if she wants to go on a riverboat cruise, she's skeptical. Mark only barely qualifies as a boyfriend, and she knows he's got an ulterior motive. But against her best judgment, she agrees to go with him, thinking this will be an opportunity for them to rekindle their relationship. She never expects him to abandon her once they board the cruise ship so he can go gambling. Frustrated, Avery heads for the bar, behind which is Dakoda, a gorgeous woman that Avery can't take her eyes off. She's tall, sexy as sin, and for some reason, is pushing all of the right buttons. Avery doesn't understand why she's feeling the way she does. She's never thought she was a lesbian before, and yet, the sight of this woman makes her feel fuzzy inside... and hot in her center. She has no idea that, in a moment of impulsiveness, she's going to let this woman make her feel pleasure like she's never felt before. She has no idea that her life is going to change after one night with this woman. And she certainly has no idea that she's going to fall for this woman... and fall hard. All her life, Avery had been looking for something, something she didn't know. And now she's in love with a woman... Only, she doesn't know if this was just one night of passion for the stunning Dakoda... or the beginning of something more. \* *Something Different* I'm not gay. I'm not a lesbian. That's how all of this started. I've had boyfriends, I told myself.

I had an ex-husband, for crying out loud! But she... she was something different. It started with a series of small gifts. It ended with a series of mind-blowing nights. Passion I'd never experienced before. Pleasure I'd never felt before. She opened up my eyes to something new... Something different... Something called love. \* The Secret I'm not a lesbian... ...so why do I keep imagining me and Colleen naked... ...in rapture? What do you do when your best friend confesses to you that she's in love with you? I knew that I was straight. Colleen knew that I was straight! I had no idea what to do... But as she told me how long she had loved me for... And as she told me the dreams she had of us together... I started to have my own visions. I saw us, together, naked, loving. I saw us, together, liplocked in passionate agony. I saw us, together, in bliss and in ecstasy. ...I saw us, together, hand in hand... forever. So what do you do? What do you do when how you've viewed yourself ends up being totally wrong? What do you do when your best friend tells you she loves you... ...and you realize you actually love her back?

In this collection's featured case, a family man dedicated to naturopathic healing embarks on a passionate affair with a flight attendant, but his jealous rages frighten her. When she finally leaves after a brutal attack, she has no idea that her tormentor would reappear in her life—with deadly consequences. Other cases include: a woman who masterminds her husband's murder just to gain his inheritance; the sadistic criminal whose prison release damages a presidential campaign and ends in a bitter double tragedy; the shocking DNA link between a horrifying crime and a cold case; and finally, the man who crisscrosses the world in deadly pursuit of a beautiful woman. **Predestined for Reformation** Jul 22 2020 Living 'happily ever after' is uncommon after prolonged periods of childhood abuse. It's more like a near-fatal auto accident from which the victims retain permanent scars, but press on through life despite their lingering disabilities. In the case of Tony's family, a sadistic and malevolent mother was allowed to run unfettered thanks to a feckless father and an uninformed and impotent local system of child protective services. Abused children are more likely to suffer from attention-deficit disorders, behavioral problems, reduced cognitive development, language deficiencies, emotional instability, poor self-regulation, low self-esteem, and an inability to cope with new or stressful situations. All of these attributes are significant factors in school readiness. Prompt and effective responses to abuse can ameliorate or protect against many of these negative effects. If you suspect abuse, don't wait until you can 'prove' it. Make a report whenever your worries about the safety of a child turn into suspicions that the child is being mistreated. If the abuse is happening right now, report it right now! If you need help or have questions about child abuse, call the Childhelp National Child Abuse Hotline at 1-800-422-4453. Hotline counselors are available 365 days a year to help children and adults who are worried about children they suspect are being abused. You can call this number if you live in the United States, Canada, Puerto Rico, Guam, or the U.S. Virgin Islands. The call is both free and anonymous.

Reading this book will challenge anyone to do more than you ever thought you could. This book will demonstrate how faith in the power of Jesus Christ and His Word can lead a man to lead his family on a journey across the country based on faith in the Word of God. Does God really show us how to live by reading and obeying the Bible? If you choose to read this book, you'll see how the Bible is alive, how it speaks and leads one man on his journey.
