Princetonians, 1784-1790 Feb 15 2020 These volumes, the fourth and fifth, complete the series of biographical sketches of students at Princeton University (the College of New Jersey in colonial times). They cover pivotal years for both the nation and the College. In 1784, the war with England had just ended. Nassau Hall was still in a shambles following its bombardment, and the College was in financial distress. It gradually regained financial and academic strength, and the Class of 1794 graduated in the year of the death of President John Witherspoon, one of the most important early American educators. The introductory essay by John Murrin, editor of the series since 1981, explores the postwar context of the College. The two volumes contain biographies of 354 men who attended with the classes of 1784 through 1794 and two other students whose presence at the College in earlier years has only now been demonstrated. During these years Princeton accounted for about an eighth of all A.B. degrees granted in the United States. It was the young republic's most "national" college, although it had nearly lost its New England constituency and was instead beginning to draw nearly 40 percent of its students from the South. Originally published in 1991. The Princeton Legacy Library uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905.

The Scarred Man Apr 11 2022 A ghost story forces a man to confront the darkest secret of his past Christmas is lonely for a man with no family, and Mike North is grateful when his boss invites him to spend the holiday at his cabin upstate. But as a blizzard descends and conversation dries up, Mike regrets leaving New York City. Only the arrival of Susannah, his boss's daughter, saves him from going mad with boredom. She is quick-witted and beautiful, a perfect antidote to snow-bound tedium, and he begins to fall in love. For Christmas night entertainment, Mike invents a ghost story. It goes all right until Susannah starts to scream. Something in his half-baked melodrama about a Chicago serial killer haunted by a man with a scarred face has touched a nerve. Unknowingly, Mike described a scene that matches Susannah's nightmares. Soon, what had been a dream begins to intrude into reality. To understand her terror, Mike digs into his own memory, hoping to unearth the secret that gave birth to the scarred man.

Records of Colonial Gloucester County, Virginia Jun 01 2021 The middle chapters of this book are given over to Wilkes County genealogy and biography, with chapters on the buyers and sellers of lots and the early settlers of the county. The work as a whole is crowded with references to ministers, officials, teachers, and soldiers, so much so that an index of more than 2,000 entries was created by Mrs. Hays to encompass them.

A History of the Attwell Family 1200-1650 Aug 15 2022 Set in medieval, Tudor and Stuart England, we discover how the family became involved with the secretive Knights Templar and then spread around the country. There were great landowners associated with Kings and Queens. Some were persecuted, arrested, imprisoned, tortured and suffered horrific executions. One followed the Mayflower to New England only to fall victim to native Indians. We find wonderful cases of jury fixing, insurrection, Lollardry, murder and false imprisonment. There were clandestine meetings, hidden treasures, forfeiture of lands, and piracy against the Spanish. There was a murderous monk who became personal servant to the King; a Lady-in-Waiting to the Queen, who was also the King's mistress; a designer of Warships and co-founder of the Royal Society. We have Lords of the Manor, Elizabethan Actors who knew Shakespeare and even a martyred Saint. These extraordinary tales of our ancestors' lives make this book compelling reading.
